### **Old Business:**

Show Committee Report: Show Date is 3/9/2024, a Saturday show at Hillsborough Facility. Diane and Mary have paid deposits and obtained contracts. Need to work on "Set/Tear Down Team" for next year. Some suggestions were: Setting up Raffle Tables using locked area so that would be finished prior to am start. We did pay for help with setting up and tearing down pens, but need to organize this better so that no one gets stuck doing this alone. Show Committee will coordinate

**Fund Raising Report** - Need to Increase Fund raising to help with show costs as we did lose money this year.

**New Business:** Need to increase participation and inclusion in club. Suggestion made to try using Zoom for meetings so that members in other areas of state can participate - especially for informational meetings. Moe Moelhman volunteered to look at possibility of 50/50 Raffle online or at show. Barbara Venderville to look into Media ideas to promote our club and show.

Group discussed the need for more youth and other ideas such as including other breeds in show, kids 12 and under showing for free, raffle of goats, and using photographer for show. Also may have tables for sponsors who what to show and discuss their products. Also discussed some of the changes with Pay Pal. Will continue to get information concerning these topics and discuss at next meeting.

Will also discuss Holiday Gift Exchange Meeting in December;
